Press Release

Middle Bass Island Music Festival

Cross the water, join the fun!

Middle Bass Island, OH:

As one of Ohio's most historic destinations, "Where Family & Friends Create Memories," it is our goal to share our love for Middle Bass Island & the restoration of Lonz Winery with our guests. Bringing back to life the sounds of families and friends sharing in laughter as they spend the day together, creating a new adventure through the Middle Bass Island Music Festival, Saturday, July 15th, 2017 from 12pm to 7pm.

The Lake Erie Islands Conservancy in cooperation with The Press House is hosting a Middle Bass Island Music Festival on Saturday, July 15th, from 12pm – 7pm., free admission and all are welcome. So be adventurous, ride the Miller Ferry from Catawba Island or the Sonny S from South Bass to join us for the day. The newly renovated winery patio will be filled with the sound of music by local musicians, The Island Band, Rock N Roll Stew, North Coast Goats, and 100 Mile Haul. Come hungry and thirsty, Rosie's Chef On the Go, and Maple City Ice are our partners for concessions. While on the island, take a moment to tour the winery museum, showcasing the history of Lonz Winery, learn about the Lake Erie Island Conservancy, visit one of the best marinas on Lake Erie, walk the trails, and enjoy a relaxing family day. Summer's here, let's take time with our families to enjoy it.

Proceeds from the Middle Bass Island Music Festival will be donated to Lake Erie Islands Conservancy who encourages conservation and protection of natural and agricultural lands in the Lake Erie Islands for the benefit of future generations.
